With the aim of disseminating academic research on Olympism, the IOC OSC is developing access to its electronic documents by making them available to the public through the RERO Doc platform (<http://doc.rero.ch>). This is a recognised digital library whose content is referenced by scientific documentation search engines at international level, such as OAIster (<http://www.oaister.org/>) and Google Scholar (<http://scholar.google.com/>).

Any data, opinions, findings and conclusions expressed in the reports / academic papers ("Publication Content") are those of the author(s) and/or his/her/their organization and do not necessarily reflect the views of the IOC. The IOC explicitly disclaims any responsibility for the consequences of any use of the Publication Content.
